

## Ultimate Elbow Support

Helps to protect and support sore, weak or injured elbows without restricting movement

### ULTIMATE

The contoured design minimised bunching behind the elbow for comfortable all day support.

2 adjustable velcro straps allow for controlled compression and a customised fit.

Lined with breathable fabric which moves moisture away from your skin keeping you cool and comfortable.

Product Code:

The Ultimate Support Range uses AIRFLEX Technology to facilitate faster recovery thanks to its therapeutic properties. AIRFLEX is an ultimate breathable material that provides the optimal level of compression and heat retention to help improve blood circulation and reduce pain.

**PX309**

One Size, Fits Left or Right

Composition:

70% AIRFLEX (Neoprene), 13% Polyester, 17% Nylon.
