

Medicare Waist Slimmer Belt

Helps increase blood circulation to your abdominal muscles

FACT BOX

Product Code:
MD539

Product Category:
Home Health.

Composition:
80% Neoprene Rubber,
20% Nylon.

Product Approvals:
CE marked.

Size:
One size fits all.

Warning: This product contains rubber which may cause allergic reactions. If rash develops or pain persists, discontinue use and seek medical attention.

Medicare Waist Slimmer Belt has a flexible Neoprene material that retains body heat and increases blood circulation to your abdominal muscles, which may contribute to weight loss as you exercise.

This product also supports the lower back, helps shed water and is suitable for everyday use.

FEATURES

- Suitable for men and women.
- Comfortable, supportive and adjustable. Fits to the contours of your body.
- Keeps muscles warm and limber.
- May relieve pain, swelling and stiffness.

DIRECTIONS:

1. Wrap belt from back and around the waist to front.
2. Fasten with velcro strips, securing around waist to desired tension.
3. Adjust as needed.

RECOMMENDED USE:

Wash as synthetics. Rinse thoroughly and air dry. Do not use bleach or fabric softener. Do not tumble dry, iron or dry clean.
