

## Ultimate Elbow Support

Comfortable elbow support that helps to protect & support sore, weak or injured elbows

**ULTIMATE**

Adjustable tension straps provide controlled compression.

Lined with breathable fabric which moves moisture away from your body keeping you cool and comfortable.

The contoured design minimises bunching behind the elbow for comfortable all day support.

Product Code:

The Ultimate Support Range uses AIRFLEX Technology to facilitate faster recovery thanks to its therapeutic properties. AIRFLEX is an ultimate breathable material that provides the optimal level of compression and heat retention to help improve blood circulation and reduce pain.

**PX3519**

One Size, Fits Left or Right

Composition:

80% AIRFLEX (Neoprene), 10% Polyester, 10% Nylon.
